## IMPORTANT NOTES:

- Locations in Green color - Historical Way start/end of section
- Locations in Blue color - Fishermen's Trail start/end of section
- \*Locations with start/end of Circular Routes
1. Approximate distances, calculated with Google Maps, using the shortest routes.
2. The cost of a taxi service is approximately 1€/km. The distances in the table correspond approximately to the cost of the trip.
3. Tolls are paid by the customer. Faro: 11.75€; Lisbon 22€ - round trip.
4. Higher rates during weekends, night time and public holidays.
5. A luggage extra charge may be requested: 1.60€.
6. Whenever the taxi has to wait for the customer to arrive, the taxi meter continuous to count.
7. \*Locations with train station.
8. Luggage transport has the same cost of passenger transport.
9. To get the best rate, we recommend hiring the service ahead and contact the closest taxi available from the departure or arrival point.
